

**Course cancellation and retake policy**

1. Taxes are not included.
2. Group classes, private lessons and duos are not refundable or transferable, unless you need to cancel for an important medical reason.
3. It is possible to cancel or reschedule your appointment or group class if you notify us at least 24 hours in advance otherwise your class will be charged.
4. The "Essential" and "Evaluation" packages as well as the group classes, private lessons and duos are valid for 6 months. They are subject to our cancellation policy.

I \_\_\_\_\_ have read and understood the conditions of the course cancellation and retake policy.

Thank you for your comprehension and cooperation!
